

# Nodys - International Society of Nonlinear Dynamics

NODYS (International Society of Nonlinear Dynamics) is a society established in 2018 to enable knowledge sharing and dissemination, international collaboration, and skills development in the field of nonlinear dynamics. News and announcements are posted here about the activities, workshops, webinars, and meetings, and calls for meeting proposals.

I. NODYS membership is attained through self-nomination or nomination submitted by other Society members or entities and is subject to approval of the Board of Directors.

II. Nomination to NODYS membership reflects the recognition of one's peers of potential and likely contributions to NODYS related activities, including, but not limited to, organization of symposia or other technical or social events as NODYCON conferences, participation to the program committees of NODYCON conferences or other scientific meetings, workshops, webinars, attendance of NODYS Assemblies or committee meetings.

III. NODYS Membership is a commitment to promote the purpose of NODYS and to work actively in its pursuit.

IV. Reasonable obligations of membership include attendance of NODYS Assemblies. Additional undertakings, such as subcommittee membership or NODYCON steering, organizing, and program committees, are highly encouraged.

V. Ordinary members, supporters, students and organizations are expected to pay the membership fee of € 60 upon acceptance of the membership nomination and, subsequently, every two years.
